STUDENT SERVICES

[www.sa-thompson.co.uk](http://www.sa-thompson.co.uk)

*professional and  
confidential support  
to all students*

## **Student Services**

At SA Thompson & Associates our experienced expert advisors have worked closely with international students for many years. We provide professional and confidential support to all international students on the following:

- Pre-application Advice
- Visa Applications under Tier 4 Points Based System
- Document Checking
- Visa Extensions
- Withdrawing from Studies
- Dependents Applications (Visas for your family members )
- Work Permits for Graduates under Tier 2

## **TIER 4 Post Study Work Visa Workshops**

Due to the recent changes introduced to Post Study Work visas, we are currently running workshops which are designed for students who have recently graduated and plan to apply for the Post Study Work Visa which will be coming to an end in April 2012.

**STUDENT SERVICES**

*Providing easy  
to understand  
legal jargon free  
immigration advice  
to our users*

### **About SA Thompson & Associates**

Our core ethos is focused on providing competent professional advice and information to prospective and current students and Educational Establishments on issues affecting international students: primarily student immigration related matters. To achieve this goal our overall objectives are to:

- Provide timely and accurate advice on immigration matters relating to international students;
- Work closely with our colleagues in Educational Establishments to assist with the recruitment and retention of students;
- Develop and maintain close links with key external agencies such as UKBA;
- Provide easy to understand, no legal jargon immigration advice to our users;
- Show empathy and be courteous to our users at all times;
